

We are very quietly pre-announcing our very first “Collector Edition” Bowlus Road Chief. Only one will be available. It is outfitted with a selection of fabulous features never combined together before. And yes, in a color palette never seen before, either.

This very special Super Bowlus Road Chief is perfect for when you are in the mood to celebrate. Whether it’s family fun or the ultimate tailgate at Bowlus Road Chief, we always know how to make entertaining special. After all, a Road Chief is the perfect start to any great party or game.

Once this “Collector Edition” is sold out it will be no longer be offered.
