

[The Road Chief](#) lies at that sweet spot of beauty and functionality. The mirror-bright shell is immediately recognizable by the arcing, Streamline Moderne lines. These aren't just gorgeous—they contribute to the aerodynamism inherent in our design DNA. Couple that construction with our aircraft-grade materials and the Road Chief is so light and agile that almost any SUV or crossover can tow it.

The Road Chief has a minimalist beauty about it. It pairs perfectly with aesthetically dazzling vehicles. You can speed off into the sunset with a fun-to-drive Porsche, Audi, Bentley, Range Rover. You can tow effortlessly through winding desert roads in your Jeep. Cruise up a mountainside with your BMW.

We're delighted to tell you that the Bowlus Road Chief can even be towed by a growing number of tow certified, all-electric vehicles. The [2020 Rivian R1T EV](#). The [Audi e-tron](#). In fact, Road Chief currently holds a record with the [Tesla X](#). Owners report up to 200 miles on a single charge and can go 0-60 in 5.5 seconds. The Road Chief's ultralightweight build makes it unique; it's about half the weight of travel trailers of a similar size, so it can be pulled by an incredible range of vehicles. We're excited to be ushering in the era of zero emission camping.

The Road Chief's beauty and functionality make it the perfect companion not just for any tow vehicle, but for adventurers of every kind. Nothing but a Road Chief allows you to spend up to a week off grid with luxuries like heated floors, endless hot water, cellular routers and boosters and hours of A/C. Whether your idea of adventure is a leisurely weekend at the beach, a jaunt to wine country or an epic cross-country saga, the Bowlus Road Chief is designed to let you adventure on your terms.
